

Guided fishing trips in Norway

There are many people who have a desire to get assistance on their fishing trips.

A guide can assist with local knowledge, fishing gear, boat, instructions and more.

We can offer guiding on most species. Wading, bank and boat. If you need guiding outside normal operating area, help is offered to contact partners.

For individual or groups. With boat 1-2 persons.

Half day, day and several days.

For many species and fishing methods there are typical seasons.

Please contact us. Price by arrangement.
